A Ministry to AIDS Victims in Northern Thailand

We are sorry for the late arrival of the AIDS Care Newsletter. But our computer was destroyed by lightning!! But now everything should be back to normal again. As we try to recover the time lost we hereby are presenting you with a number of pictures which we believe tells more about the ministry than a thousand words.

← Aids Care visiting children with AIDS in the local Hospital. A small gift can make a difficult day a little lighter and bring encouragement and laughter. We are visiting the local Hospital as often as possible - there is always one who needs love, care and encouragement.

↑ Ang with a newborn baby. The mother is HIV-positive and cannot take care of the child. A foster family was found to take care of the baby.

**Purpose:**

- Support of AIDS children's schooling
- Help with acute need for clothing, food etc.
- Support of AIDS medicine
- Visitation in homes, hospitals etc.
- Advice and encouragement
- Reach out with Gods Love and Care

The ministry is based on individual donations

Send your donation to your local OMF Office. Mark the donation #302600, Mekong Office

In Denmark AIDS Care is a mission-project from ZION Church, Brovst - a member of the Danish Evangelical Covenant Church.

In Thailand AIDS Care is a OMF Mekong related project.

AIDS Care cooperates with other organizations who has children and parents with AIDS as goal.

↑ In good and bad days AIDS Care is trying to make a difference. On the picture above AIDS Care is celebrating birthday for 3 of the children in Doi Law.

→ On the picture to the right AIDS Care is taking part in the funeral of Goi and Gai's mother, who died of AIDS in September. AIDS Care helped arranging the funeral and supported financially too. AIDS Care continues to support the schooling of Gai and Goi who now are in the care of their grandmother in Doi Law.

We are in the planning of the AIDS Cares Christmas celebration. We expect 50-60 children. Please pray for this important celebration and for all the children and their families.

Children and Adults are eager listening to the Sunday School teaching

### Prayers

- Pray for the coming Christmas Celebration
- Pray for donations to help more children
- Thank God for the cooperation with CEF
- Pray for Ang and her Ministry
- Thank God for the funds for the car

*There is still many more children in Doi Law who needs help. To help them, we need your help. Give a monthly donation to the AIDS Care ministry.*

### A dream became reality!

THANKYOU to all who gave the financial support so we could buy a car for the AIDS Care Ministry.

The car has given us the possibility to expand the ministry and is now used for picking up children for the Sunday School and English teaching every Saturday.

The car also gives us the possibility to visit the homes and the Hospital more often. And there is lots of space in the back, when we arrange outings and other events.

Ang got her drivers license and the car has become an important tool in her daily ministry in AIDS Care.

3 of the children waiting for possible support from AIDS Care.
